CORAM : F.I. REBELLO, J. AND
DR.D.Y.CHANDRACHUD, J.

January 9, 2006.

P.C.

The Petitioner is a proposed Society yet to be registered. The challenge in this petition is to the permission granted to Respondent Nos.3, 4 and 5 for getting independent water connection.

Considering that the Petitioner is a proposed Society, it will not be appropriate for this Court to intervene at this stage. The issue as to whether Respondent Nos.3, 4 and 5 shall be granted independent connection can be considered when any Society is

registered for the area for which the Society is sought to be registered. With the above observation, the petition stands disposed of.
